Polar Audio takes on Revolabs

Polar Audio has been appointed Pro Audio Distributor for the UK, for innovative wireless microphone manufacturer Revolabs.

The USA based Revolabs Inc. is a leading provider of wireless audio products, with business partners across the globe. Revolabs, Inc. manufactures Wireless Microphone Systems used throughout the world and across a wide range of applications including broadcasting, financial services, education, medical, legal and houses of worship.

Revolabs will be exhibiting at PLASA09 Hall 1, Stand C29 and will also be available on the Polar Audio Stand, Hall 1, Stand F4. For more information visit the Polar Audio stand or contact the sales desk on + 44 (0) 1444 258258.

Polar Audio will feature live demonstrations of the latest in digital networked audio from across its product portfolio, highlighting products from Aviom, MC², XTA, Biamp and many other manufacturers. New products being showcased include, from beyerdynamic, the Opus 600 system and additions to the Revoluto conference system range, from Biamp, the RED-1 Remote Ethernet Device, Dynacord's DSA Series amplifiers, ASL's Digital Intercom system and a host of new products from XTA and MC² Audio.
